

CITY OF

Weatherby Lake,

MISSOURI

7200 N.W. Eastside Drive • Weatherby Lake, Missouri 64152 • (816) 741-5545 • FAX 741-1480

---

To whom it may concern;

The City of Weatherby Lake requires Ice barriers on new roofs. The City adopted the requirement for new roofs from the 2015 IRC code book. Below is the reference code.

**R905.2.7.1 Ice barrier:** In areas where there has been a history of ice forming along the eaves causing a backup of water as designated in Table R301.2 (1), an ice barrier that consists of a least two layers of underlayment cemented together or of a self-adhering polymer modified bitumen sheet, shall be used in lieu of normal underlayment and extend from the lowest edges of all roof surfaces to a point at least 24 inches (610 mm) inside the exterior wall line of the building.

City of Weatherby Lake enforces the **2015 IRC Codes** on roof ventilation.

Best regards,

A handwritten signature in black ink, appearing to read 'George Lowman', is written over a horizontal line.
